Sage People Payroll

Accurate. Automated. Always On.

A UK and Republic of Ireland cloud payroll solution with 24/7 access. Run payroll accurately, compliantly, and on time, from anywhere, on any device.

Everything You Need to Run Payroll with Confidence

From automated compliance and multi-company processing to real-time analytics and employee self-service, Sage People Payroll brings everything together in one powerful cloud platform, so you can pay your people accurately, on time, every time.

Automated Compliance

Stay aligned with the latest legislation automatically

Multi-Company Processing

Streamline payroll across multiple entities

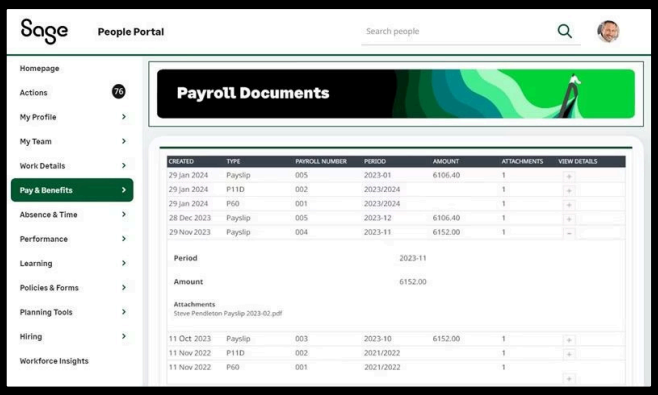
Real-Time Analytics

Access insights and reports on demand

Employee Self-Service

Empower your workforce with 24/7 access

Get Actionable Insights with Payroll Analytics



Powerful Reporting at Your Fingertips

- **60+ pre-built reports** — Covering pay periods, pensions, PAYE, gender pay gap, and more.
- **Easy-to-use report design tool** — Create custom reports quickly with no technical expertise required.
- **Report packs** — Group multiple reports and give key stakeholders on-demand access to the data they need.

Deliver Exceptional Employee Experiences

Employee self-service

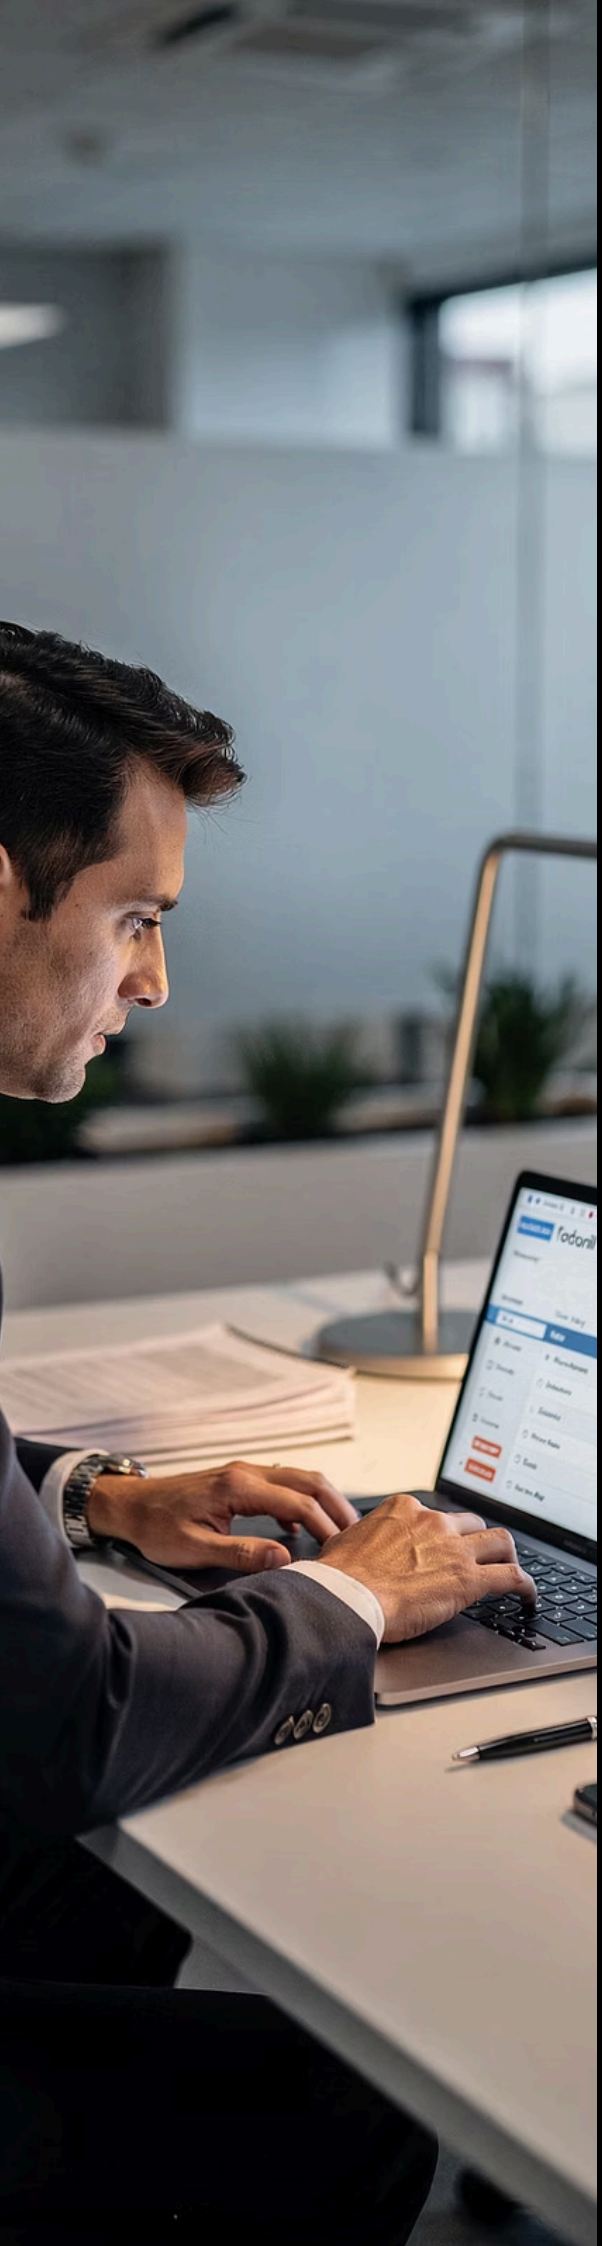
Employees access payslips, pension letters, P45s, P60s, and other documents anytime.

Self-service updates

Employees view and update their personal information, saving your team valuable time.

Greater transparency

Give employees understanding and control of their entitlement and payroll information.



Cut Down Time Spent on Payroll Admin

01

Multi-company processing

Run payroll for multiple companies in one streamlined process with bulk scheduling and automation, reducing admin time and complexity.

02

Fast calculation engine

Process weekly, fortnightly, four-weekly, monthly, quarterly, and annual pay periods with speed and precision.

03

Automation of critical tasks

Full Payment Submission (FPS), Employer Payment Submissions (EPS), BACS payments, and payslip distribution are automated, saving hours of manual work.

04

Pro-rata calculations

Part-month salaries for salaried workers are handled accurately without manual intervention, reducing errors and improving trust.

Configurable permissions

Give different stakeholders the ability to manage and provide input before payroll completion.

Real-time processing dashboard

Manage payroll by exception and stay in control at every step.

Built-in migration tools

Get set up fast with minimal disruption.

Take the Headache Out of Compliance

Stay ahead of regulatory requirements with automated submissions, real-time alerts, and comprehensive audit trails, all built into the platform.

Real-time HMRC submissions

Information submitted directly to HMRC as you process.

Alerts and warnings

Payroll warnings at every stage of processing keep you ahead of issues.

Pensions auto-enrolment

Handled seamlessly within the platform.

Occupational leave management

Tracks and applies occupational leave policies automatically, ensuring compliance and transparency.

Seamless tax calculations

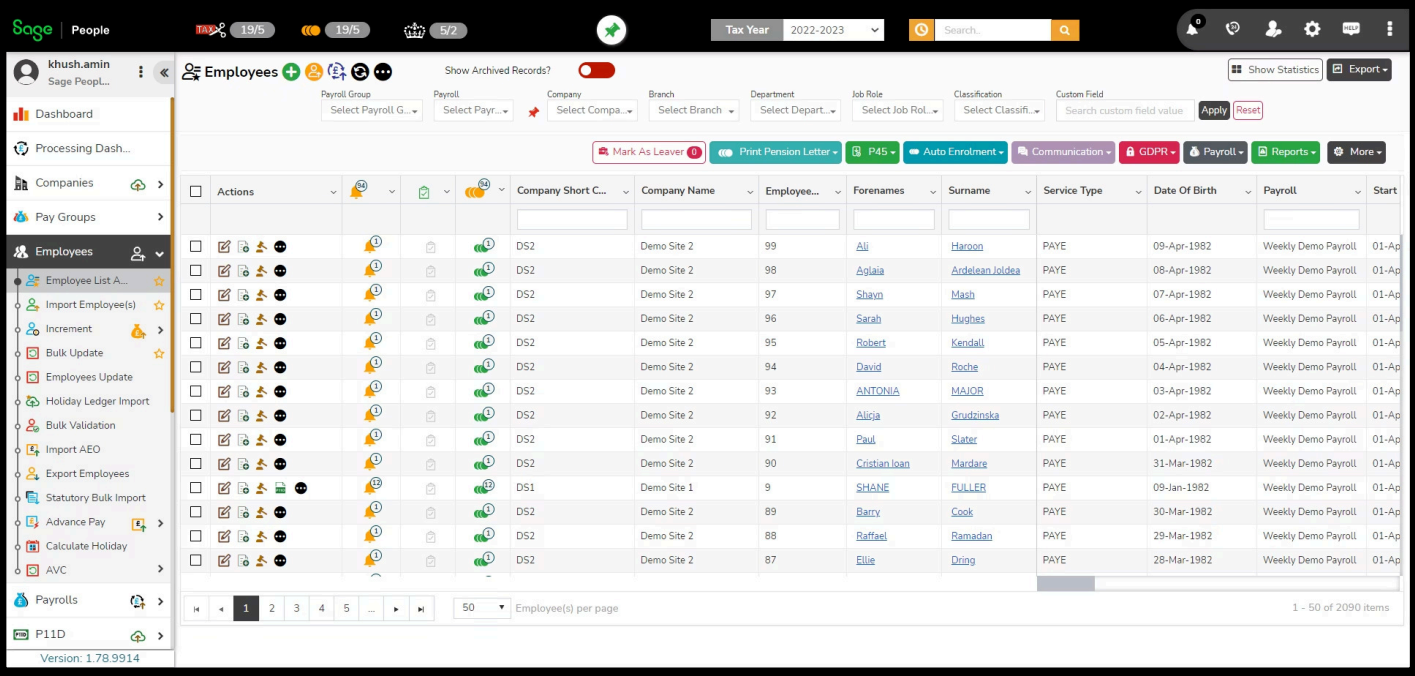
Automatic updates keep you aligned with the latest legislation.

GDPR compliance

Enhanced security and data protection built in.

Full audit trail

Track changes easily with comprehensive audit reports.



Seamless Integration & Collaboration

HR and Time & Attendance integration

Connects effortlessly with your existing systems for a unified employee data experience.

Payroll Connector

Securely manage data flows between Sage People and other payroll systems for global workforces.

Managed payroll partner access

Approved service providers can view assigned company data through a dedicated partner login.

SSO, billing, implementation, and support

A streamlined process from onboarding to day-to-day operations.

What Our Customers Say

"Sending payslips used to take me an entire afternoon. Now, everything's just a click of a button."

— Laura Tulley, Group Payroll & Benefits Manager, Urban Pubs & Bars

"Every time I had an issue, Michael [my Sage Senior Success Consultant] jumped on a call, which I really valued."

— Laura Tulley, Group Payroll & Benefits Manager, Urban Pubs & Bars
